

*Powerful connections with trusted colleagues – Sharing challenges and strategies –
On the forefront of innovative ideas*

For over 30 years, the Health Care Administrators Association (HCAA) has supported third party administrators through educational opportunities from leading industry experts. With the 2010 passing of health care reform legislation, HCAA has also committed to take a leading role in legislative advocacy, working to increase its influence with policymakers and the media in order to transform the TPA industry and its role in health care. For more information about HCAA including information on membership, visit www.hcaa.org.
